Re: WestCom Corporation Surrender of Section 214 Authority

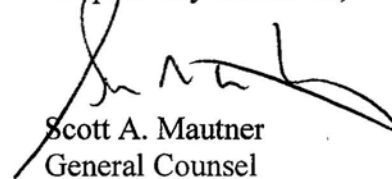

Dear Ms. Dortch:

WestCom Corporation ("WestCom") hereby surrenders for immediate cancellation its authority pursuant to Section 214 to provide international and, to the extent necessary, domestic common carrier telecommunications service.¹ WestCom acquired these authorizations as part of its acquisition of certain assets from Global Crossing Telecommunications, Inc. International Section 214 authority was granted March 14, 2005, under FCC File No. ITC-ASG-20050209-0070; and domestic Section 214 authority as to the facilities acquired was granted March 22, 2005 in WC Docket No. 05-56. The transaction closed on May 3, 2005 and WestCom filed the requisite notifications under the Commission's Part 63 rules on May 4, 2005.

Because WestCom does not provide service on a common carrier basis, no Section 214 authority is required. No customers are affected by this surrender, and no discontinuance of service within the meaning of Sections 63.19 and 63.71 of the Commission's rules has occurred.

Please address any questions regarding this matter to the undersigned.

Respectfully submitted,

Scott A. Mautner
General Counsel

¹ WestCom would be entitled to blanket domestic Section 214 authority under Section 63.01(a) of the Commission's rules, but does not require such authority for its non-common carrier offerings. To the extent that it is unnecessary to surrender blanket domestic Section 214 authority, please consider the instant filing as a clarification of WestCom's regulatory status.
